2024/169 Parish Matters

- 1) 50mph Speed Zone – There have been some new signs erected along the A4117 across the common in regards to the 50mph speed zone. However, this doesn't seem to be quite complete and signs do seem to be missing. We will keep an eye on this and report once elections are over.
- 2) 20mph Signs – P3 will be asked if they are willing to look around the Parish to decide on how many we need, the size and materials required. Also to look into whether new dog fouling signs are required.
- 3) Size Restriction Sign – The suggestion has been put forward to have vehicle size restriction signs up. This again is something that can be put to the new Unitary Councillor after elections.
